"How to Hear God Speak"
Acts 10:9-23

How to Hear God Speak

1. Don't _____ God.
2 Timothy 3:16-17

We can hear God speak every day through his Word when we read it or recall it and seek illumination, understanding, and _____ through the Holy Spirit.

2 Corinthians 2:6-16 (abridged): "The Spirit searches the deep things of God. No one knows the thoughts of God except the Spirit of God. We speak in words taught by the Spirit, explaining spiritual realities with Spirit-taught words. The person without the Spirit does not accept the things that come from the Spirit of God but considers them foolishness, and cannot understand them because they are discerned only through the Spirit.

2. Gag _____.

The clearer the voice or the more specific the message is to your life, the more you have to be careful before drawing any conclusions or taking _____.

If you decide to take the gag off, share it carefully, thoughtfully, biblically, lovingly, and humbly, prefacing it with words like this, "I _____ that God may be telling me..."

3. Two pointers for hearing from God:
 - F _____ on the road, not the windshield.
For the Jen Wilkin quote, go to Henry-Williams.net
 - Drive _____.
Driving defensively is all about paying _____.
